As the job for which you are applying involves substantial opportunity for access to children, it is important that you provide us with legally accurate answers.

You should be aware that the School will institute its own checks on successful applicants for short listing with the Disclosure and Barring Service.

ACCESS TO MEDICAL REPORTS ACT 1988

This is a summary of the principal rights under the Act, which is concerned with reports provided for employment by a medical practitioner who is or has been responsible for your clinical care.

You have the following options: -

1. You may withhold your consent to an application for the report from the Medical Practitioner. This you can do by not signing the consent form.
2. You may consent to the application, but indicate your wish to see the report before it is supplied. It is your responsibility to make the necessary arrangements with the Medical Practitioner concerned so that you can see his report. It will not be sent to you automatically.

The Medical Practitioner will be informed that you wish to have access to the report and will allow 21 days for you to see and approve it before it is supplied to this department. If the Medical Practitioner has not heard from you in writing with 21 days of the application of the report being made, he/she will assume that you do not wish to see the report and that you now consent to its being supplied.

If you do decide to see the report and there is anything in it that you consider incorrect or misleading, you may require in writing that the Medical Practitioner amend the report, but he/she is not obliged to do so. If the Medical Practitioner refuses to amend it you may: -

- a. withdraw consent for the report to be issued
- b. ask the Medical Practitioner to attach to the report a statement setting out your views
or
- c. agree to the report being issued unchanged.

The Medical Practitioner is not obliged to show you any parts of the report which he/she believes might cause serious harm to your physical or mental health or that of others, or which would reveal information about a third party who has supplied your Practitioner with information about your health unless this third party also consents. In these circumstances your Medical Practitioner will so inform you, and your access to the report will be appropriately limited.

3. You may consent to the application for the report and indicate that you do not wish to see the report before it is supplied. Should you change your mind after application has been made and notify the Medical Practitioner in writing he/she should allow 21 days to elapse after such instruction so that you may arrange to have access to the report providing, of course, it has not already been supplied before you changed your mind.

4. Whether or not you decide to seek access to the report before it is supplied you have the right to seek access to it from the Medical Practitioner who supplied it at any time up to six months after it was sent.

NB Where a copy of the medical report is supplied to you the Medical Practitioner is entitled to charge a reasonable fee to cover the cost of supplying it.

Application and Recruitment Process Explanatory Note

1. General

Sunninghill Prep School ("the School") is committed to ensuring the best possible environment for the children and young people in its care. Safeguarding and promoting the welfare of children and young people is our highest priority.

The School aims to recruit staff that share and understand our commitment and to ensure that no job applicant is treated unfairly by reason of a protected characteristic as defined within the Equality Act 2010.

All queries on the School's Application Form and recruitment process must be directed to the Bursar.

2. Application Form

Applications will only be accepted from candidates completing the relevant Application Form in full. CVs will not be accepted in substitution for completed Application Forms.

Candidates should be aware that all posts in the School involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Applicants will receive a Job Description and Person Specification for the role applied for.

As the job for which you are applying involves substantial opportunity for access to children, it is important that you provide us with legally accurate answers. Upfront disclosure of a criminal record may not debar you from appointment as we shall consider the nature of the offence, how long ago and at what age it was committed and any other relevant factors. Please submit information in confidence enclosing details in a separate sealed envelope which will be seen and then destroyed by the Head or the Bursar. If you would like to discuss this beforehand, please telephone in confidence to the Head or the Bursar for advice.

Please disclose any unspent convictions, cautions, reprimands or warnings. Please note that the amendments to the Exceptions Order 1975 (2013) provide that certain spent convictions and cautions are 'protected' and are not subject to disclosure to employers, and cannot be taken into account. Guidance and criteria on the filtering of these cautions and convictions can be found at the Disclosure and Barring Service website.

The successful applicant will be required to complete a Disclosure Form from the Disclosure and Barring Service ("DBS") for the post. Additionally, successful applicants should be aware that they are required to notify the school immediately if they are any reasons why they should not be working with children. This includes any staff who are disqualified from childcare or registration including 'by association' i.e. they live in the same household (or someone is employed in their household) as someone who has unspent cautions or convictions for a relevant offence (please see a list of the relevant offences set out here:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/384712/DBS_referrals_guide_-_relevant_offences_v2.4.pdf).

The 'by association' requirement also applies if you live in the same household as or someone is employed in your household who has been disqualified from working with children under the Childcare Act 2006.

The Childcare (Disqualification) Regulations 2009 apply to those providing early years childcare or later years childcare, including before school and after school clubs, to children who have not

attained the age of 8 AND to those who are directly concerned in the management of that childcare.

The school takes its responsibility to safeguard children very seriously and any staff member and/or successful candidate who is aware of anything that may affect his/her suitability to work with children must notify the school immediately. This will include notification of any convictions, cautions, court orders, reprimands or warnings he/she may receive. He/she must also notify the school immediately if he/she is living in a household where anyone lives or works who has been disqualified from working with children or from registration for the provision of childcare.

Staff and/or successful candidates who are disqualified from childcare or registration, including 'by association', may apply to Ofsted for a waiver of disqualification. Such individuals may not be employed in the areas from which they are disqualified, or involved in the management of those settings, unless and until such waiver is confirmed. Please speak to the Bursar for more details.

Failure to declare any convictions (that are not subject to DBS filtering) may disqualify you for appointment or result in summary dismissal if the discrepancy comes to light subsequently.

The School has a legal duty under section 26 of the Counter-Terrorism and Security Act 2015 to have 'due regard to the need to prevent people from being drawn into terrorism'. This is known as the Prevent duty. Schools are required to assess the risk of children being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology. Accordingly, as part of the recruitment process, when an offer is made the offer will be subject to a Prevent duty risk assessment.

If you are currently working with children, on either a paid or voluntary basis, your current employer will be asked about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether you have been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure.

If you are not currently working with children but have done so in the past, that previous employer will be asked about those issues. Where neither your current nor previous employment has involved working with children, your current employer will still be asked about your suitability to work with children. Where you have no previous employment history, we may request character references which may include references from your school or university.

You should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if you have been appointed, and a possible referral to the police and/or DBS.

3. Invitation to Interview

Applicants will be short-listed according to the relevance and applicability of their professional attributes and personal qualities to the role. Short-listed applicants will then be invited to attend a formal interview at which his/her relevant skills and experience will be discussed in more detail.

All formal interviews will have a panel of at least three people chaired by the Head or the Bursar. The Chair of Governors should chair the panel for the Head's appointment. The interviewers involved will be required to state any prior personal relationship or knowledge of any of the candidates and a judgement will be made by the Chair as to whether or not an interviewer should therefore withdraw from the panel. Should the Chair have a conflict of interest, the Vice Chair shall decide whether the Chair should withdraw from the panel.

The interview will be conducted in person and the areas which it will explore will include suitability to work with children.

All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified Bursar September 2016

copy of certificates, diplomas etc). Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained by you from the awarding body.

All candidates invited to interview must also bring with them:

1. A current driving licence including a photograph and paper counterpart, a passport and a full birth certificate;
2. A utility bill or financial statement issued within the last three months showing the candidate's current name and address;
3. Where appropriate any documentation evidencing a change of name;
4. Where the candidate is not a citizen of a country within the European Economic Area or Switzerland, proof of entitlement to work and reside in the UK.

Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient.

Candidates with a disability who are invited to interview should inform the School of any necessary reasonable adjustments or arrangements to assist them in attending the interview.

4. Conditional Offer of Appointment: Pre-Appointment Checks

Any offer to a successful candidate will be conditional upon:

1. Receipt of at least two satisfactory references (if these have not already been received);
2. Verification of identity and qualifications including, where appropriate, evidence of the right to work in the UK;
3. A satisfactory enhanced DBS check and if appropriate, a check of the Barred List maintained by the DBS;
4. For a candidate to be employed as a teacher, a check that that the candidate is not subject to a prohibition order issued by the Secretary of State;
5. For a candidate who has lived or worked outside the UK a check using the NCTL Teacher Services' System that a candidate is not subject to any teacher sanction or restriction;
6. Verification of professional qualifications;
7. Verification of successful completion of a statutory induction period (for teaching posts - applies to those who obtained QTS after 7 May 1999) where relevant;
8. Where the successful candidate has worked or been resident overseas, such checks and confirmations as the School may consider appropriate so that any relevant events that occurred outside the UK can be considered;
9. Satisfactory medical fitness;
10. Receipt of a signed Staff Suitability Declaration form showing that you are not disqualified from providing childcare under the Childcare (Disqualification) Regulations 2009; and
11. If you are undertaking a leadership role, evidence that you have not been prohibited from participating in the management of independent schools.

It is the School's practice that a successful candidate must complete a pre-employment medical questionnaire. The information contained in the questionnaire will then be held by the School in strictest confidence. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed workload, extra-curricular activities, layout of the School.

The School is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, considering medical evidence and considering reasonable adjustments.

5. References

We will seek the references referred to in section 4 above for shortlisted candidates and may approach previous employers for information to verify particular experience or qualifications, before interview. If you do not wish us to take up references in advance of the interview, please notify us at the time of submitting your application.

All referees will be asked if the candidate is suitable to work with children.

The School will compare any information provided by the referee with that provided by the candidate on the application form. Any inconsistencies will be discussed with the candidate.

6. Criminal Records Policy

The School will refer to the Department for Education ("DfE") document, 'Keeping Children Safe in Education' and any amended version in carrying out the necessary required DBS checks.

The School complies with the provisions of the DBS Code of Practice, a copy of which may be obtained on request or accessed here: <https://www.gov.uk/government/publications/dbs-code-of-practice>.

7. Retention and Security of Records

The School will comply with its obligations regarding the retention and security of records in accordance with the DBS Code of Practice and its obligations under its Data Protection Policy. Copies of DBS certificates will not be retained for longer than 6 months.

Policy on the Recruitment of Ex-Offenders

The School will not unfairly discriminate against any candidate for employment on the basis of conviction or other details revealed. The School makes appointment decisions on the basis of merit and ability. If an individual has a criminal record this will not automatically bar him/her from employment within the School. Instead, each case will be decided on its merits in accordance with the objective assessment criteria set out below.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if they have been appointed, and a possible referral to the police and/or DBS.

Under the relevant legislation, it is unlawful for the School to employ anyone who is included on the lists maintained by the DBS of individuals who are considered unsuitable to work with children. In addition, it will also be unlawful for the School to employ anyone who is the subject of a disqualifying order made on being convicted or charged with the following offences against children: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence. It is also unlawful for the School to knowingly employ someone who works in the relevant settings and is disqualified from providing childcare under the Childcare (Disqualification) Regulations 2009, whether by association, or otherwise.

It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position within the School. The School will report the matter to the Police and/or the DBS if:

- the School receives an application from a disqualified person;
- is provided with false information in, or in support of an applicant's application; or
- the School has serious concerns about an applicant's suitability to work with children,

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question;
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;
- whether the applicant has a pattern of offending behaviour or other relevant matters;
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters;
- in the case of disqualification from providing childcare, whether the applicant has or is able to obtain an Ofsted waiver from disqualification; and
- the circumstances surrounding the offence and the explanation(s) offered by the convicted person.

If the post involves regular contact with children, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of any of the following offences: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence, serious class A drug related offences, robbery, burglary, theft, deception or fraud.

If the post involves access to money or budget responsibility, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibilities, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving.
