Summer Holiday Club 2021 Plan of Activities

The list of planned activities for Summer Holiday Club is detailed below, we will also have other activities and 'free play' available during the day. Activities we provide for the children together with what is already planned include: board games, puzzles, drawing, painting, Hama Beads, pom pom making, Lego, KNEX, books and other crafts, toys, sports equipment and games.

Our trips have not yet been confirmed; we must have received all booking forms and payments by the deadline date (25th June) before booking our trips. We will try to stick to the following plan where possible, however some amendments may need to be made when bookings have been confirmed.

Half day bookings are not available when an 'all day trip' is stated. Please only book a full day session on these days. Places are limited for trips due to higher staff:child ratios and space on our minibus.

Please note, children will need to bring their named swimwear and a towel as we will have use of our outdoor pool every morning.
