

## October Half Term 2018

### Activity Plan

The list of planned activities for Summer Holiday Club is detailed below, we will also have other activities and 'free play' available during the day. Activities we provide for the children together with what is already planned include: board games, puzzles, drawing, painting, Aqua Beads, pom pom making, Lego, KNEK, books and other crafts and toys.

Our trips have not yet been confirmed, these will depend on numbers of children booked for that specific day. Please book your place and send payment through in advance so that trips can go ahead. We will try to stick to this plan where possible, however some amendments may need to be made when bookings have been confirmed.
