GENERAL

We are an inclusive school that welcomes children from all backgrounds and abilities, as long as the school is able to meet their needs within the existing resources and facilities.

Sunninghill Prep School is a co-educational independent school for children from ages 2 years 9 months to 13 years. Deciding on the right school for your child is very important, and we believe that a personal visit is invaluable. We very much hope that you and your child will visit Sunninghill Prep School. We hold one Open Morning in each term, which will give a general introduction to the School and you will find details of the dates on our website. We are also very happy to welcome prospective parents and their children at other times by appointment. Please contact the School's Registrar on 01305 755909 or email registrar@sunninghill.dorset.sch.uk to arrange a visit.

EQUAL TREATMENT

Sunninghill Prep School's aim is to encourage applications from candidates with as diverse a range of backgrounds as possible. This enriches our community and is vital in preparing our children for today's world.

The School is committed to equal treatment for all, regardless of a candidate's sex, race, ethnicity, religion, disability, or social background.

SPECIAL NEEDS

Sunninghill Prep School does not unlawfully discriminate in any way regarding entry. The School welcomes children with disabilities and/or special educational needs, providing we can offer them the support that they require and cater for any additional needs and that our site can accommodate them.

We strongly advise parents of children with any special educational or physical needs to discuss their child's requirements with the School, so that we can make adequate provision for him/her. Parents should provide a copy of an educational psychologist's report or a medical report if they have one.

We have the facilities and staffing to cater for children with Special Needs in our whole school population, children need to be able to cope within the mainstream environment of the school. Children with learning difficulties and children with English as an Additional Language are warmly welcomed, but the school may require parents to pay for extra support time or for the recruitment of extra staff to give the additional support necessary to meet that individual child's needs, beyond any reasonable adjustments being made, as defined in the School's SEN and Disability Policy.

RELIGIOUS BELIEFS

At Sunninghill we welcome applications from prospective children of all faiths and of no faith.

SCHOOL POPULATION

The ideal population for our school community is 172 children. This equates to an optimum of 28 children in the EYFS, 72 children in Junior Prep (4 classes of 18) and 72 children in Senior Prep (4 classes of 18). However, we reserve the right to accept up to a maximum of 20 children per class from Form 1 to Form 8 which would bring the total population to 188.

This population size is kept under close review to reflect a whole range of forces both within and outside of our control.

ENTRY INTO SCHOOL

Children can enter Nursery once they reach the age of 2 years and 9 months and the Junior Prep or Prep School at any time up to the age of thirteen. There is no fixed admission date during the school year.

CRITERIA FOR ADMISSION

- **Availability**

The main restrictions that we have in School are that of capacity within the classrooms and therefore we are restricted to an ideal population as stated above.

- **Sibling/family connections**

Preference will be given to children who already have siblings in School, provided we are able to meet their needs.

- **Number of children in the family**

Preference will be given to large families who wish for all children in the family, aged between 2 years and 9 months and 13 years of age, to attend Sunninghill Prep.

- **Existing ratio's in the classroom**

We aim to have a balanced gender mix within the classroom. If the male/female ratio in the classroom is substantially unequal this may affect the decision on new admissions.

- **Nursery sessions**

For children who join at Nursery age, attendance of a minimum of 2 sessions per week (either am or pm) is required.

CLASS SIZES

- **Nursery (aged two years and nine months to four years)**

We can accommodate up to a maximum of 12 children per session depending upon their ages.

- **Reception (aged four to five years)**

We can accommodate up to a maximum of 16 children.

- **Junior Prep (aged five to seven years)**

Our classes have an optimum number of 18 children. We reserve the right to accept up to a maximum of 20 children at the discretion of the Head.

- **Senior Prep (aged eight to thirteen)**

Our classes have an optimum number of 18 children. We reserve the right to accept up to a maximum of 20 children at the discretion of the Head.

APPLICATION PROCESS

As our school is an Independent Prep School and the school determines its own admission arrangements. The Terms and Conditions for entry to the school are detailed in the Parent Contract.

Acceptance of a place in School is at the Head's discretion and is determined by the ability of the school to meet the needs of any particular child and the available accommodation. If the number of children applying for entry exceeds the places available, we enforce the criteria set out previously in order to determine whether a child is accepted or not. It is our wish to allow parents the right to have a place at the school of their choice. However, this is not always possible, due to the demands on school places.

A condition of acceptance of a place is also subject to a satisfactory Taster Day, and the Head may need to contact the child/ren's current Head for information.

All applications will be treated on merit, in a sensitive manner and according to our admissions criteria for entry. The level of ability of a child or any special needs that s/he may have, play some part in the admissions policy of this school. We want children to be happy and motivated in our school.

Parents who fail to advise the School of any medical, special educational or physical needs as required on the School's Registration Form and Admissions Forms, may put their child's place in school at risk at any time.

Sunninghill Prep School operates a highly efficient and well-regarded Admissions system. All children/parent information is stored on our Management Information System (WCBS 3Sys/PASS). The database can only be accessed by the administrative staff, teachers, the Bursar and the Head.

The following lists, in sequence, the steps that are taken to ensure a smooth transition from initial phone call to a child's first day. This is ensured by working closely with parents and teaching staff.

ADMISSION APPEALS

If we do not offer a child a place at this school, it may be because to do so would prejudice the education of other children by allowing the numbers of children in the class to increase too high, or we feel that the school is not able to meet the child's needs.

If parents wish to appeal against a decision to refuse a place, they can do so by following the School's Complaints Procedure (available on request or on the school's website). The first appeal is to the Head in writing. If the prospective parent is still unhappy by the Head's response, the appeal must be made in writing to the Chair of Governors who will convene an Appeals Panel to consider the matter. The Appeals Panel's decision is binding for all parties concerned.

TRANSFERRING FROM ANOTHER SCHOOL

If a child is transferring from another school, the Head may ask parents to speak to their current school as soon as possible to alert them to a possible move of school. The Head will then discuss the transfer with the existing school to ensure continuity of education and provision. This may happen before an offer of a place is made.

Please note that, if appropriate, all outstanding fees with the child's existing school need to be cleared before a child will be accepted for a place at Sunninghill Prep School.

FEE RETAINER

If your child has been granted authorised absence for a specific period of time (eg a term studying abroad) a retainer of £1,000 per term is required to hold their place in School.

FEE REMISSIONS

The school does not currently offer scholarships to prospective children. However, if parents are considering a move of school and, having visited, decide that they would like to send their children to Sunninghill Prep School but find that their financial circumstances would prevent this, a limited number of small bursaries are available each year. These bursaries are Means Tested and are under a scheme in line with the Charity Commission's policy of equity and fairness, as well as the school's requirement to offer Public Benefit. The Governors' Finance & Business Committee meets each year in the Spring Term to approve the recommended bursaries for the following Autumn Term.

Bursaries are offered for 12 months at a time. The family is required to provide fresh information about its circumstances for every year that their child attends the School. Levels of support may vary with fluctuations in income.

A bursary may be withdrawn in accordance with the terms upon which such award is made or otherwise in accordance with the School's Terms and Conditions.

EARLY YEARS EDUCATION FUNDING

3 & 4 year olds – 15 or 30 hours per week

The school will apply for the funding each term from Dorset Council on receipt of a completed parental agreement form. The amount which is received from the Council will be utilised against the school fees bill and will be notified to parents in advance each term by the Bursar. Parents will be liable for the balance of school fees.

IMMUNISATION POLICY

The school strongly advises that all children have the recommended vaccinations, both to protect the child and also the other children in the class.

SCHOOL'S TERMS & CONDITIONS

Copies of the School's Terms and Conditions are made available to parents as part of the admissions process.

COMPLAINTS

The School hopes that parents and children do not have any complaints about the School's admissions process; but the School's Complaints Procedure is available on our website.

RECORDS

Applicants' details will be held on file with due regard to data protection legislation and the School's Privacy Notice and Retention of Records / Records Management Policy.

The School will not hold the personal data of you or your child for longer than is necessary for a lawful purpose. This will generally be no more than 6 months following an unsuccessful application, but reasons to retain for longer might include: e.g. if the parents express an interest in the candidate re-applying for any reason at a later date, or in the potential candidacy of another sibling; or to deal with any ongoing matters or queries arising from the application.

REVIEW

This policy will be reviewed annually by the Head, Bursar and Registrar in light of any changes in circumstance in our School. Recommendations from this review may be made to the Board of Governors.
