Sunninghill Preparatory school is committed to safeguarding and promoting the welfare of children and young people. Applicants must undergo child protection screening, including checks with past employers and the Disclosure and Barring Service.

Sunninghill Prep School will conduct online searches of shortlisted candidates. This check will be part of a safeguarding check, and the search will purely be based on whether an individual is suitable to work with children. As care must be taken to avoid unconscious bias and any risk of discrimination a person who will not be on the appointment panel will conduct the search and will only share information if and when findings are relevant and of concern.
